

Международный Круглый стол

«Глобальный и региональные подходы к исследованию долгосрочных целей ИКАО и применимости глобальной системы рыночных мер CORSIA в отношении снижения выбросов CO₂»

в рамках Международной научно-технической конференции по авиационным двигателям ICAM2020

International Round Table on "ICAO Global Long-term aspirational goals and the Global Market System CORSIA, their Potential Impact on Developing Countries and Russia»

May 19-10.00-13.00, Moscow, Holiday Inn, Sokolniki, room Red Gate, International Conference on Aviation Motors ICAM2020,

Moderators of the Round table: Artur Mirzoyan, Oganeg Chelebyan

Scope of the main topics covered:

1. ICAO approaches to the study of ICAO long-term aspirational goals (LTAG) for CO₂ emissions reduction and local noise, national methods of long-term goal setting in the field of international and national environmental regulation;
2. Risks to the Russian aviation Industry arising under the ICAO CORSIA system, ICAO Criteria for the Acceptability of Sustainably Produced Aviation Fuels for the CORSIA system;
3. Russia initiatives in ICAO for a real reduction of the global CO₂ emissions.

Program of the Round Table:

10:00-12.20 Presentations and questions

1. Artur Mirzoyan, ICAO CAEP Member from Russia, member of the CAEP working groups
Introduction in Round Table
2. Alexander Dolotovskiy, Deputy Chief Designer for Aerodynamics of the "Regional Aircraft"
Branch of JSC Irkut Corporation, member of the LTAG-TG working group
3. Yuxiu Chen (China), Member of the CAEP LTAG-TG working group
4. Ricardo Dupont (Brazil), ICAO CAEP Member from Brazil, member of the CAEP LTAG-TG working
group
5. Vladislav Klochkov, Deputy Director General of NRC "Zhukovsky Institute" on Strategic
Development, member of the LTAG-TG working group
6. Alexey Okhapkin, representative of NRC "Zhukovsky Institute", member of the FTG working
group on fuels
7. Sergey Roginko, Head of the Center for Ecology and Development of the Institute of Europe of
the Russian Academy of Sciences, member of the ICAO Technical Advisory Body (TAB) on CORSIA
8. Olga Yurasova, Tatyana Turanskaya, representatives of Aeroflot company, members of the WG4
working group on CORSIA
9. Lyudmila Rostovtseva, General Secretary of the Union of aviation Industrialists (UAI) of Russia
10. Yurii Khaletsky, member of the CAEP WG1 working group on noise
11. Alexey Sipatov, Head of the Combustor Department of JSC "UEC Aviadvigatel", member of the
WG3 working group on emissions

12. Oganés Chelebyan, member of the WG3 working groups on emissions

12:20-12:50 – Free discussion

12:50-13:00 – Wrap up
